

Guidelines for a Successful Sexual Risk Avoidance Program

- It is our privilege to be your guest speaker. We understand you are the classroom authority. Therefore, your presence in the classroom is essential.
- Check the school calendar for events such as fire drills, field-tips, school pictures, honors programs, assemblies, etc. to ensure presentations are not interrupted. This will maximize the impact.
- Call the Pure Director to schedule your presentations well in advance to assure ideal dates for your classes.
- Complete the confirmation form on www.connect2pure.com once dates have been discussed.
- Because we acknowledge and respect the primacy of all parents in the education of their children, we suggest that you notify parents that this program is being presented to the students. You may do this via any communication style that you choose. A sample letter is enclosed.
- Inform the students of how they will be obtaining their grade during the presentation. Some teachers will grade their students on participation, give them a quiz, require an essay of what they learned, or will collect the resource packet..
- Our organization may bring other guests, which may assist in the instructing or may be observing.
- After the presentation, we will ask you to complete an instructor evaluation. This will be sent to the Pure Director and used for evaluations and improvements to the program.
- Contact the Pure Director as soon as you are aware of any schedule conflicts, cancellations, delays, etc.
- Please keep this for your reference.
- Schedule next semester's program.
