

Parent Notification Sample Letter

Dear Parent or Guardian:

On the following dates, _____, we will be having guest speakers from the Pure Initiative. These trained instructors will conduct a “whole person” program which engages your child to think about their sexual decisions and their future dating relationships. All material is compliant with the Indiana State Standards and is age appropriate.

We believe parents are the best educators of their children. In fact, nearly half of all teenagers say that parents are the most influential people in their lives in regards to making decisions about sex. To this end, these speakers hope to partner with you to help your child make great decisions for his/her future. You are encouraged to use this as an opportunity for open discussions with them and to help them set appropriate boundaries.

You may visit the website www.connect2pure.com for further information.

Sincerely,
